INSTRUCTIONS—READ CAREFULLY

1. This power of attorney, conferring authority to indorse and collect checks drawn on the Treasurer of the United States, may be presented with the check or forwarded directly to the Treasurer of the United States, Washington, D. C. A general power need not be reexecuted for the collection of subsequent checks under the same power. This power may be revoked by the death of the grantor, or by former revocation executed by the grantor and presented to the Treasurer of the United States, Washington, D. C., but revocation will not be effective until formal notice of revocation or of the death of the grantor has been received by the Treasurer of the United States. At any time the Treasurer is requested to act thereunder, evidence may be required that this power is in full force and effect.

2. A general power of attorney on this form is not acceptable for the indorsement of—

- (a) Checks drawn by the Treasurer of the United States in payment of settlement warrants;
- (b) Pension checks;
- (c) Disability compensation checks of Veterans Administration and Employees' Compensation Commission;
- (d) Disability allowance checks;
- (e) Annuity checks;
- (f) Checks for gratuity pay; or
- (g) Insurance checks.

In cases (a) to (f) a specific power of attorney must be furnished (use Form 6570) executed in accordance with the requirements of Section 3477 of the Revised Statutes of the United States as amended (Title 31, Section 203, U. S. Code). For (g) a specific power of attorney must be furnished, except for checks in payment of monthly installments of life insurance, for which a special power of attorney, limited in its terms, may be accepted, and blanks therefor (Form 6584) may be procured from the Treasurer of the United States, Washington, D. C.

3. A general power of attorney on this form is acceptable for the indorsement of emergency officers' retired pay checks, Act of May 24, 1928, if a responsible banking institution is named as attorney in fact.

4. If it is desired that checks be mailed to the attorney instead of to the payee, formal notice of change in the post-office address, identifying the checks affected, should be forwarded to the drawer.

5. If the signature of the grantor is made by mark, it should be witnessed by at least one person who can write besides the acknowledging officer, giving his place of residence in full.

6. This power must be acknowledged by the grantor before one of the following officers:

- Executive officers of Federal reserve banks and branches;
- Executive officers of Federal land banks;
- Executive officers of banks and trust companies incorporated in the United States or its organized territories, and the branches thereof;
- Executive officers of incorporated banks and trust companies in the insular possessions of the United States doing business under Federal charter or organized under Federal law;
- Commanding officers of the Army, Navy and Marine Corps (for members of the Military and Naval Establishments of the United States); and
- Notaries public, or other officers authorized by law to administer oaths.

7. If in a foreign country, the acknowledgment should be made before a United States diplomatic or consular representative. If such an officer is not available, it may be acknowledged before a notary or other officer authorized to administer oaths, but his official character and jurisdiction must be certified by a United States diplomatic or consular officer, under the seal of his office.

8. Seals of attesting officers must always be impressed; provided, however, that where acknowledgments before a notary public, or other officer authorized by law to administer oaths, are not thus authenticated by the official impression seal of such officer, the power should be accompanied by a certificate from the proper official showing that the officer was in commission on the date of the acknowledgment. The date when the officer's commission expires should appear in any event. If a certificate is furnished, such certificate should show the dates of the beginning and expiration of the officer's commission, and such period of commission should include the date of acknowledgment of the power.

9. Indorsement of the checks under this power of attorney should be in the following form:

“----- by -----, Attorney-in-fact.”
