Dear Sir:

Your letter to George Soderbom is at hand. Rev. Soderbom is in the U.S.A., so I took liberty of opening his mail.

I am writing to George Soderbom today regarding the matter.

Also, I remember forwarding some mail from you to him some weeks ago.

I understand that the Tent was sold, but details are lacking

Sincerely

H. S. Williams

Dear Rev. Williams,

Many thanks for your letter of the 18th ultimo.
It was most kind of you to have written to Mr. George
Soderbom about the tent and stove left with him on commission
I wrote to Mr. Soderbom on numerous occasions, but since
September 1936 failed to get any answer. I am not sure that
my letters have reached him, though all of them were sent
registered. Please kindly request him to dispose of the
tent and stove for the best price offered, and to let me
have the amount realized from the sale.

Thanking you in anticipation,

Sincerely yours,
