July 12. 1958 - Completely demolished

In reconversion of the site - English
understandings. No necessity to reconstruct
Lancaster - and especially the Lancaster
Station - because conditions require it

July 13th 1958. - Cont. Has noticed that
the reconstruction of the site is a very
complex task. It is not only a matter of
rebuilding the station, but also of
rebuilding the surrounding area. The
main problem is the reconstruction of
the station. It is a very complex task
because it involves the reconstruction
of the station and the surrounding
area. The main problem is the
reconstruction of the station. It is
a very complex task because it
involves the reconstruction of the
station and the surrounding area.
The main problem is the reconstruction
