

Douët

1359(1)

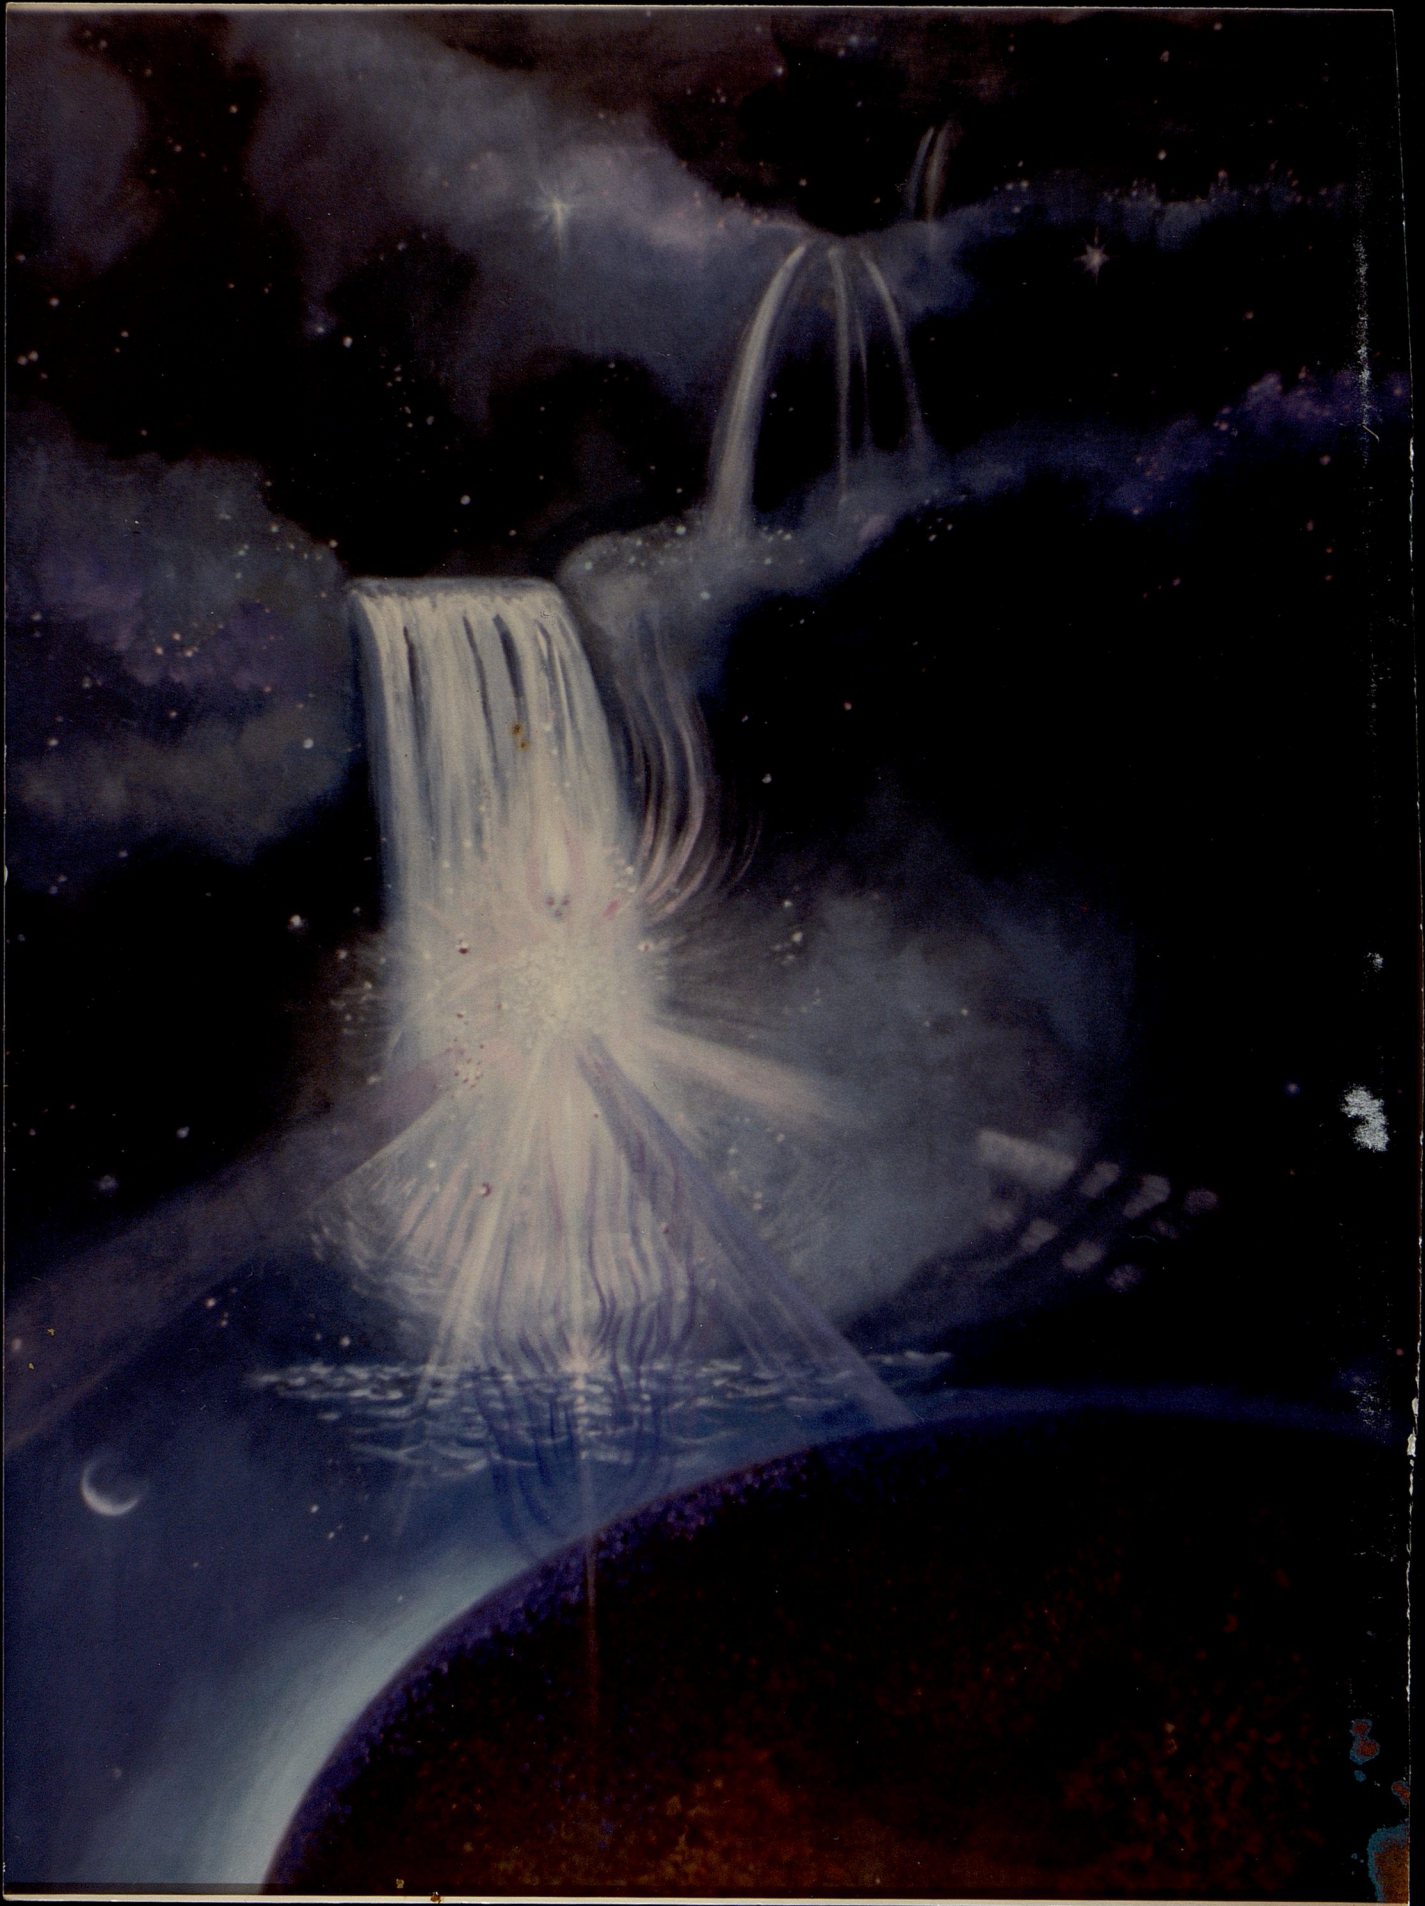

This is a portrait of a woman who  
healed herself of cancer by  
the White Light of Spirit.

Donet is artist in residence at  
the Unity Center at Houston, Texas.

He did a portrait of the Transfigured  
Christ which, when held to a  
sick child, healed the child's  
disease.

A fine cosmic artist who  
seeks to remind people  
of true spiritual  
realities.
