Kalimpong,  
1 March 1956.

I have known SHRI RAM RAHUL for many years now. He is one of the few Indians with special knowledge and firsthand experience of the Himalayan borderlands. He has been a member of several scientific and mountaineering expeditions to the Himalaya and Hsin-chiang ( China ).

Shri Rahul has a particularly appreciable, friendly understanding of the peculiar problems of the national minorities of Buddhist Faith in the Himalayan borderlands of India. I hope it will be possible for him to apply his knowledge and experience in the service of his Mother land.
