15th July 1974.

Dear Mr. Archer,

It gave us real pleasure to receive your letter along with the Society's Notes for Writers, Speakers and Broadcasters, which is an excellent work and is most useful. You must have worked very hard to compile this and the Newsletter both of which we shall use.

Would it be possible for you to send me the Society's Notes for Writers, Speakers and Broadcasters as I would like to have about 10 copies as soon as possible.

We are so glad to hear that your efforts to mark the Centenary are progressing.

It would be good if the High Commissioner of India Mr. B.K. Nehru would kindly consent to inaugurate the Centenary in London, if you would like him to do so I will certainly give you a covering letter to him. He is an old friend of ours in fact both Mr. and Mrs. Nehru and their entire family have been friends of ours for years. Please let me know what you think of this idea.

Thank you for your good wishes to us for our visit to the U.S.S.R.

With our very best wishes to Mr. Shibayev and you and all your Co-Workers,

Yours very sincerely,

(Mme. DEVIKA RANI ROERICH)

My dear Mr. Archer,

How good of you to have sent to us a copy of the Life Sketch of PProf. Nicholas Roerich which you sent to the P & T Department, New Delhi. I think it is a good writeup. They have asked everyone to write a Life Sketch including my husband, so I do not know whose they will use. However, it is good of you to have sent it to them.

Please send me the address of our High Commissioner. I am glad to know that my letter etc. to him has reached you, let me know please what he says.

We send to you our very best wishes, we are frightfully busy at the moment with our coming Exhibition so it will not be possible for me to write much.

With our warm regards,

Yours sincerely,

(Mme. DEVIKA RANI ROERICH)

My dear Mr. Archer,

Thank you very much for your letter on the Centenary Celebrations, the B.B.C. Broadcast and all the different items mentioned. I am not able to write more on the eve of our departure but I send along with this a photostat copy of the Prime Minister's message which I am sure you would like to have framed in your Society.

My dear good friend, we very much look forward to the pleasure of meeting you both in London only after December - after fixing the Moscow Exhibition of my husband's paintings. The enclosed will give you an idea of how the paintings went - it is a copy of my letter of thanks to the Press. Grosvnor House seems very expensive but I am sure we shall manage all this somehow.

With warm regards from both of us,

Yours sincerely,

(Mme. DEVIKA RANI ROERICH)

Mr. Kenneth Archer.
