My dear Mr. Bowry,

Here is some news which will make you and Mrs.
Bowry happy:-

TWO RUSSIAN GLACIERS NAMED AFTER ROERICHS:
NEW HAS BEEN RECEIVED FROM THE USSR, THAT
THE TWO HERTHO UNCHARTED GLACIERS IN THE
KIRGHIZ ALATAU IN THE BASIN OF THE ALAMEDIN

.....
FROM: THE ALL UNION GEOGRAPHICAL SOCIETY OF THE USSR,
LENINGRAD, USSR.,
MONOGRAPH PUBLICATION, VOLUME NO: 96. 1964.

11th. September. 1964.

This is a wonderful tribute is it not? Also it
is the 90th. Anniversary of Prof. Roerich's birth on the 9th.
of October for which they have made this gesture- it is not
a small thing, and indeed unique is it not? Dr. Roerich has
recorded his broadcast on the 10th. of this month, for the
AIR, on the 9th. of October, you must listen in to Bangalore
on that date, at 9.-15. and other stations at different times.
It will be on in Delhi on the 12th. but you will find out as
I do not know the time. I have asked AKASHVANI Director to
send to me, a copy of the journal for one year from now on,
then I will be able to get news as to when this talk will be.
ALSO WILL YOU TRY TO GET FOR ME INDIAN OR IS INDIA CALLING?
I wish to know when this talk will be in other countries. I
asked you in my last letter about P. I. B., if it has any way
of getting the Press cuttings for me when they appear on the
subject of this 90th. anniversary, so please let me know. If
any agent can do so, I would be happy to pay for such press
cuttings, let me know, and I would be grateful if you could
fix it up. So many things in one letter, but I have just come
here as I had Flu, and still feel bad.

With our warm regards to you both and the
children,

Yours sincerely,

D. R. Roerich

Dear Mr. Bowry,

This is in haste to thank you for your letter of the 28th September.

I am enclosing a rough list of the papers who may be publishing news about the 90th Birth Anniversary of Prof. Nicholas Roerich. There may be others but still this is the general list, so you will very kindly do the following:

1. That you will send me at least one set of things published in the newspapers in this connection.
2. That you will kindly make arrangements with the Central News Agency, New Delhi, to send us clippings and each time they send us, they should send us the bill.
3. I am very happy that Dr. Roerich's radio talk will be sent officially by you to all newspapers in the country including the Indian languages newspapers.

I note that you will be staying with Shri P.M. Raje reaching on the afternoon of 7th of October (Wednesday)

IMPORTANT: I have moved to my new office which is very central. The address is No.9, Edward Road, Telephone No. 27480 and you can reach us any time from 9.30 a.m. to 5 p.m. I come into town generally on Mondays, Wednesdays and Fridays, but the next week I shall probably come on most of the days because of the 90th Birth Anniversary. Anyway please telephone us.

With our affectionate regards to you all,

Yours sincerely,

(DEVIKA RANI ROERICH)

P.S.

You might draw the attention of the Editor of both "AKASHVANI" and "INDIA CALLING" and tell them the following:

1. By an oversight on Page 6 October 4th issue in their article "NICHOLAS ROERICH" they have published the photograph of my husband with his fathers' name. My husband's name as you know is Svetoslav Roerich.
2. In "INDIA CALLING" they may please reproduce the whole of Dr. Roerich's broadcast on his father and perhaps the same article as appeared in "AKASHVANI" of October 4th 1964 with the inclusion of the news about the Glaciers being named in the Soviet Union after Prof. Nicholas Roerich and his son, Svetoslav Roerich.

Mr. Chagla, I am writing today. He must kindly send a message on this occasion to the U.S.S.R. as other eminent people are doing.

Whatever your work you must please do these things immediately before you leave. I know I can depend on you fully. Being the Information Officer you will of course understand how urgent the matter is as time is short.

With affectionate regards,

(D.R.R.)
