My dear Mr. Jatti,

We were delighted to receive your letter of the 5th of September. I do hope we shall have the pleasure of meeting you in Delhi when we come there.

I have pleasure in informing you that the Birth Centenary of Prof. Nicholas Roerich will be on the 9th of October this year.

India is honouring Prof. Nicholas Roerich by bringing out a stamp on the 9th of October in his name and other countries also are marking this event, in particular the U.S.S.R. where the celebrations are being arranged on an extensive scale. In this connection I am sending you some data which I feel sure will be of interest to you.

We did not know the date of your birth but we extend to you our very best wishes and hope that you will always be happy and well. We wish you everything best.

With our warm regards to you,

Yours very sincerely,

(Mme. DEVIKA RANI ROERICH)

The Hon'ble,
Shri B.D. Jatti,
Vice-President of India,
