My dear Miss Masani,

Thank you so much for your letter of the 21st. August which I was happy to receive. I am very glad to know that you have decided to have the talk of my husband on his Father on the 9th. of October here, also to be broadcast from several stations in India. I think that my husband will be recording this talk soon, as soon as he has finished his latest painting which we think will be around the 10th. of September, so that you will have time to get the copies from here in time.

I hope the Russians will contact you in time as we should know so that my husband will be able to also broadcast this talk at the same time in Russian. Please let me know if they ask you for a copy for Russia.

With our kind regards,

Yours sincerely,

  
( DEVIKA RANI ROERICH.)

My dear Miss Masani,

Thank you so much for your letter of the 18th. September.

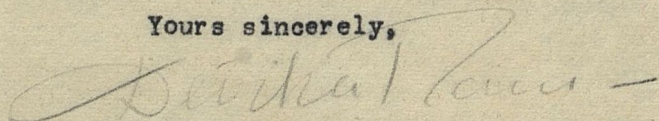

We are very happy to know that you are sending to the Roerich Museum in New York a copy of the talk, and I will inform them now so that they will have time to arrange it there. When it has been sent then please let me know if it is not too much trouble.

I shall certainly listen to the broadcast from Bangalore, I hope that Delhi will also have it around that date as I do not know how many people listen to our news etc. here from other parts of India.

We had very nice news the other day, about two Russian Glaciers being named after both my Father-in-law, and my husband, I am enclosing a copy of it to you, as I know you will be interested.

With our kind regards,

Yours sincerely,

( DEVIKA RANI ROERICH. )
