Dear Mr. Ramachandran,

Dr. Shrimali very kindly asked us to stay in his house (The Vice-Chancellor's Residence) when we come to Mysore on the 16th of October, Friday, as the Government of Mysore will be giving to my husband two awards, one the Special State Award and the other as an artist of International repute. We shall leave around 5.30 a.m. and therefore arrive some time around 7.30 a.m. and shall go direct to the Vice-Chancellor's residence. We shall come back the same day to Bangalore, either in the afternoon or a little later.

I have asked the Secretary, Dussera Exhibition Committee, Mysore and the Special Duty Officer, Dussera Festivities, Mysore, to give Mr. Adisesh, P.A. to the Vice Chancellor, a special car pass and the Entrance Pass for both of us.

Kindly see that they do so as soon as possible so that we shall have no difficulty.

I am sending a copy of this letter also to Mr. Adisesh.

With kind regards,

Yours sincerely,

(DEVIKA RANI ROERICH)
