Dear Mr. Ramachandra Rao,

Thank you for the 6.copies of PRAJAVANI, which reached us today. I am very happy and so is my husband with the fine tribute paid to this great Master Nicholas Roerich on his 90th. Birth Anniversary.

I wish I could have a translation of the article written, Prof. Ramachandra Rao has written very well indeed, and if he could give us a translation, it would be very nice indeed. I need this as I shall be sending copies of this issue to all countries abroad, and a translation could be attached, though in such countries as the USSR., it is not needed, they know all our languages well. Still, it would be excellent to have a translation. I sent a message to the Professor for this, but I do not know if he received it. If he did, he would have certainly sent it to me, or brought it personally.

With our kind regards,

Yours sincerely,

(DEVIKA RANI ROERICH.)
