My dear Mr. Terentiev,

Thank you very much for sending to us the two Press cuttings, Leningradskaya Pravda, and Vechernii Leningrad, which we were so happy to receive. It is so kind of you to have thought of sending to us these interesting cuttings, and we shall keep them very carefully with the material of the 90th. Birth Anniversary of Prof: N. K. Roerich.

You will be happy to know that the 90th. birth anniversary of Prof. Roerich was a great event also here in India, and in the USA, there was a large Exhibition also at the Roerich Museum. In Naggar at the home of Prof. Roerich which is in the Kulu Valley in the Himalayas, we have a very interesting Memorial Gallery with the paintings of Prof. Roerich, and this year, or rather last year, we arranged many new paintings of his for this occasion, in the Memorial Gallery there, and hundreds of people came all the way to see his work, they generally come, but especially this time they came from all over India, and they wrote wonderful tributes to this great Master in the book for visitors, which is very interesting. I hope to at a later date print all these books, as they are very very fine things in them, which would be of great interest to all people. Ofcourse, the setting in Naggar our home, is ideal, in front of our house, we see the whole range of the Hamalayas, and there could not be a finer setting for his paintings. We are busy with plans now to build a separate Museum also there, which will hold the paintings of Prof. Roerich, and my husband, also a section with the Arts of these regions, which are most precious. It is not so easy to build there as it is quite high, but still, this was the wish of Prof. Roerich, and all the family, and it is such a wonderful place also, so this work must be done. My husband is painting a great deal, and I wish you and all our friends at the Hermitage see his paintings, they are great works of Art! I sent to you by Air Mail Book Post, a book printed here on the occasion of the 90th. Birth Anniversary of Prof. Roerich, and also another written by Mrs. Sina Fosdick who is the Vice- President of the Roerich Museum in New York, please let me know when they reach you, as I would not like them to get lost.

With greetings to you and our regards,

Yours sincerely,

*Sushila Roerich*
