My dear Mr. Tsikolia,

This is just to inform you that the Himachal Pradesh Government will be celebrating the Centenary of Prof. Nicholas Roerich at Naggar. I hear also that a Newsreel will be made of the Celebrations in our home at Naggar. I was wondering if you were interested in photographing these events by sending some of your staff on the 9th of October to Kulu. Please let me know. I shall then contact the Ministers concerned and will write to you again upon hearing from you and give you the addresses you will need of the Ministers in Himachal Pradesh and also perhaps when the programme is definite Mr. Gujral of the Information and Broadcasting Ministry whom you could contact directly. I have asked the Films Division, Government of India to make a Newsreel of this event in Kulu. Perhaps they could also present to His Excellency Mr. Maltsev a copy of this Newsreel to be given to him so that he could send it on to Russia. I understand that they intend to make this Newsreel.

We both send to you our warm regards,

Yours sincerely,

DRR
