Dear Sir,

My husband, Dr. Svetoslav Roerich, thanks you for your letter No. 6-HC(3)/57 of 8th February, 1958.

My husband wishes me to tell you that he would prefer to discuss personally regarding tourism in the Kangra and Kulu Valley when he is in Delhi some time in March or early April, since the subject will need personal discussion as it covers a great many points. As we shall be on tour, it is not possible to fix the exact date at present but my husband will definitely contact Diwan Chaman Lall on his arrival in Delhi.

Kindly convey to Diwan Chaman Lall our kind regards.

Yours truly,

(Devika Rani Roerich)
