My dear Dr. Shrimali,

Thank you for your letter which we both are happy to receive, as it is always so nice to have news of you, and to know that you are well. Yes, it is sad that we have not had the pleasure of seeing you now for quite some time, and when we go to Mysore, you say you will not be there!

It is good of you to say that we may stay at the University Guest House, in the Manasa Gangotri Campus, this would be very nice indeed if we do not have to stay in any place fixed up by the Government here, I will only know later. But if you would kindly leave instructions at the Guest House, then if it is possible we would like to stay there. It is actually only for a few hours, as we shall be returning to Bangalore after the function. We arrive in the morning sometime, about 10.-30.AM. if you can kindly let me have the name of the person in charge, I will send him a wire when we actually know, so that it will not be inconvenient for him.

With our warm regards and best wishes,

Yours sincerely,

My dear Dr. Shrimali,

Thank you so much for your welcome letter of October 5th.,  
as always, it was a pleasure to hear from you!

It is indeed good of you to have arranged for us to stay  
for the day at the Vice-Chancellor's residence, we shall be very happy to  
spend the at your home, and I have noted the names and addresses of both  
your P.A. Mr. Adisesh, and your Registrar Mr. K. R. Ramachandran. Since you  
have so kindly arranged this matter, there will be no need for my to write  
to them, but we shall perhaps wire to your PA. so that he knows the time of  
our arrival, but if we start from here at 6.- 30. AM., reach there around  
9.- 30. AM. latest. This time is fixed as far as we are concerned, so please  
tell Mr. Adisesh. What a pity we shall not have the pleasure of seeing both  
Mrs. Shrimali and you, but I hope that we shall see you soon as mentioned  
in your letter.

With our warm regards, and affectionate greetings and  
many thanks for your kind hospitality,

Yours sincerely,

*My dear Dr. Shrimali,*

We wish to thank you for your kind hospitality to us during our stay with you in Mysore, and wish to tell you it was for us such a great pleasure to be with you again! It is strange that though we meet so seldom, we feel ever near to you, and when we do actually meet, it is like being with someone dear again. There must be truth in the bonds of the past, with some people one feels that one has known them for ages past, this is the feeling we have with you, and I am glad as it is a very warm and happy feeling.

We were looked after very indeed, and we left Mysore soon after lunch, arriving here around 5. P.M. This was good as it was not too hot. After we came on the 23rd. we had observed the 60th. birthday of my husband which was a very happy occasion. The Pooja was very fine in his studio, and also the greetings of our little friends the children from our villages who were fed. They were so happy, and it was such a joy to see how they enjoyed themselves!

We shall be going up North in the early part of November and will be back if all goes well around the end of the month, if you do come here sometime in December, do see us, come and spend one day and night at least with us, this will make us happy.

With our best wishes to you both for a happy Devali,  
may God Bless you and yours in the coming year, with affectionate  
greetings from us both,

Yours sincerely
