

Dear D^r. R.

IV

I am sending to you
 my two bands broadcast
 on his father as well
 as his notes on him.
 The leading Museums in
 the Soviet Union are
 celebrating the anniversary.
 They are having special
 lectures, television broadcasts,
 exhibitions and publications.
 I know it would be greatly

Appreciated if a message
from you could be sent
to the ^{State} Treasures Gallery
at Moscow and the State
Russian Museum —
at Leningrad. *
