Here we have been very busy with all our work, also so many delegations have been visiting us to see the paintings, and to meet my husband, 45. of touring students from the USSR, and 29. Scientists from the International Congress which they attended from Delhi, they also were from all over the USSR, and it was wonderful to see how much interest they had and how much they liked the paintings, and we all had most interesting talks, it was so nice also to see how much they admired my husband, and how they love him and his Art.

This is just to let you know that we received the book, and to tell you that we hope that all the other things have reached you, they were sent by registered Air Mail, so they should reach you soon.

With love from us both, and every wish for the  
New Year to you and your family,

Ever yours affectionately,

*Devi Rani Roerich*  
( DEVIKA RANI ROERICH.)

My husband also wrote to you and you should receive all our letters, so please let us know when they come, with the dates also, I am worried as to why all that has been sent has not reached you, as it was all about the birth anniversary.
