My dear Sunka Rani,
Thank you
so much for your
letter which was
sent to me by your
mother. yes. I did
get your note about
the garnis. My
husband was away
in Mysore with
H #. So, I was able
to take them out
only once to the
Lab. Bagh + then
shopping to chickpet
which Mrs Garin
enjoyed. I think they
had a good time
here with the Heath
(Fergusons) I learnt
afterwards.
My husband
says, he has heard

Nothing more about
your leave since
you left. Please don't
mention you got this
information from us.
Persia's brother & his
wife are coming as
H.H.'s guests so Jimmy
will be away for
week at Mysore busy
with shikar arrangements.
We both had been
to Mysore for the naming
ceremony of the Baber
Prince, I am busy with
guests for the last fortnight.
The portrait of Panditji
must be beautiful.
Really, your husband's
paintings are wonderful.
It will be nice seeing
you both in May.
Jagme & Ricky send
their regards. It is nice
of you to have remembered
them. With our kindest
regards to you both. Yours & Son's
Ivy.

My dear Sruka Rai,

I am sorry I was
not able to acknowledge
your kind letter
before this.

We are glad to
hear that you
will be here earlier
than usual. Then
you can settle
about your land.
Because since you
are not here they
seem to have forgotten
what was promised.
We have had
about 3" of rain
and it is very pleasant
now.

Your husband
must be completing
most of his paintings.

Please call me
July.
We are looking
forward of seeing
you soon.

With our kindest
regards to you both
Yours affly.

July.
