My dear aunty,

I have not heard from you since I saw you at Calcutta. Despite my best wishes, I could not write to you so long. The circumstances are beyond my control. I have to start for Scottish Church College lying at the other end of Ballygunge at 9-15 A.M. and come back at 6.P.M. Completely spent up.

I have been attending the College regularly and at present keeping good health. But my Papa's health has broken down and he has been ailing at intervals. He has not

been able to recoup his health.

I shall be glad if you kindly let me know how you and uncle are. I expect to get a early reply. Give my best wishes to uncle and you.

Yours affectionately
Renu Gupta
