Dear Mrs Rocquet,

I received the note sent ^{last} by Tuesday only just now. I am sorry nothing could be done as there is no progress with regard to Hooky so far here. I am just wasting myself so far doing nothing & if this thing continues I feel I shouldn't allow myself to sit idle like this — Regarding flowers the night stuff, I am expecting very soon so that loss could experiment — Mr Eyes is getting bad to Horse possibly no escape!! Regarding Mungrey I had been reminding him & last Saturday I went to him & as he was too busy I was sent out & I left a note that that will be the last time that I would remind him of the letter

and came away without seeing him. I have
not met him since then. How is boss?
I hope he is perfectly ok too. I very
much wanted to send a Christmas & New
Year Card to mother at Bangalore but
I haven't the address. I saw the picture
I have acted, first copy, & was quite happy
I have done ~~very~~ best & full justice to
the role. Sitting idle here I am completely
finished & more so mentally. I herewith
send you & boss my best wishes for Christmas
& New Year, which always reminds me of
the previous years, I shall take a chance &
look you up in case you are here.
My regards to boss
yours & Sir's

Dear Mrs Roerich,

5

Thank you very much for your kind letter. I phoned up Hanprasad + gave him your message. We have been continuously shooting as we are completing the picture "BAAZ" for release in 1 Week of June. You will be pleased to know that atleast mentally I am very happy with my present group as I have full scope + independence in doing my work. In the meanwhile we are planning our next so that we can go ahead without a gap. Mr Gurdutt who is directing + acting is a very fine young man with high clear ambitions + he comes also from our B.T. group as he worked

With Chakraborty + Gagan + later did BAAZI,
JAAL + now BAAZ — Gure unit has got
the unique distinctness of clean good hard
working people. I do hope Bass is Hell +
So is Raya + everybody. So please give
my regards to all.

Dear Mr. Roach,

It is very kind of you to have thought of us all for the Biwali and I thank you very much for your kind wishes — I am quite well and so is everyone in the house. I hope Bob is quite well. Last time when he was unwell if I had known I could have atleast done whatever physical help I could do — I am with Mr. Gune but in the middle of 2nd picture titled PAA-PAAA. We are starting a kind one next month a musical subject titled "GEET ANJALI" — not Tagore! — a sober type of a musical one based on a quotation from Vedanta — Tired of these litch patch stories — Helen has a programme for 3 pictures but I couldn't leave these people + go there suddenly without knowing what next? after the programme. I am contacting Sndar + shall ask him to do the needful regarding article. To give my love to Bob + regards to mother yours V Swamy
