Dear esteemed Sister,

It is so good of you to have sent me the First Day Folder-cum-Postage Stamp released by Government of India in commemoration of the Birth Centenary of the versatile genius Prof. Nicholas Roerich on the 9th October, 1974. I deeply appreciate this graceous gesture of yours. The memento will remain with me as a cherished treasure constantly reminding us of the multi-dimensional services rendered by your illustrious father-in-law in building bridges of understanding, amity and concord among the citizens of the world.

With kind regards,

Yours sincerely,

  
(B. D. Jatti)
