My dear Devika,

Thank you very much indeed for your letter of August 1.

It is long that we saw each other and I look forward to meeting you both again. As you know I started Real Estate business in Bombay after leaving the Times of India organization. I joined this group of publications as a Managing Director from 1st March 1964. I am very happy under the changed circumstances.

With best wishes,

Yours sincerely,

(J. C. Jain)

My dear Devika,

Thank you very much indeed for your letter of October 31.

A full page article appeared in October issue of 'Trend' on Prof. Nicholas Roerich. I have asked my office to send you six copies of that issue.

If your programme for Bombay is definite, can you keep an evening free for me and let me know so that I may ask a few friends to dinner with us. Please also let me know in particular you like me to invite any person whom you would like to meet.

With best wishes you both,

Yours sincerely,

J.C. Jain.
