1. 4. 53,

My dear Mrs Roerich,

Thank you very much  
for the beautiful bag.  
It came as a very pleasant  
surprise. How clever  
your students seem to  
be, I'm so glad you spend  
your time helping the poor  
pets.

I was as pleased  
as punch when I received

your parcel, how good of  
you to have thought of  
me & singled me out  
for a gift, I'm ever so  
lucky, & I'm glad of  
that.

It awfully hot here  
at the moment, & the  
weather is the main topic  
of conversation, though  
"they" say that it wasn't  
as hot as this last year,  
I think we say that

every year - don't you?  
We forgot how hot it  
actually was, & after lovely  
X'mas weather, the heat  
naturally upsets us.

We have 3 maternity  
cases at the moment, &  
3 babies cry on time &  
there's heaps of fun & games.

Doc says he had no  
idea that Mr Roerich is  
an artist, 'cause as a

real artists ~~to~~ choose  
ugly wives, whereas Mr  
Roerich has chosen  
with the real artistic  
eye!!

Please write again,  
you don't know how  
pleased I am to be  
waiting this letter.

Thank you once again.  
Best wishes to both  
of you.  
Yours sincerely  
Key.
