26th May.

My dear Devikarani di,

It was so nice seeing you both here. I hope you'll come often during the winter months and help us with our theatre-activities. It would be so nice if our group could meet you. Next time when you are here, I must arrange to get the group together to meet you.

I am leaving for Alwar this evening. Funny enough Dr. Markey handed me a cheque the day he met me after his return

from Bombay. I thought that was
extremely good of him. I would
appreciate very much if you
kindly do not mention my terms
etc to anyone. I do hope you will
understand why.

Rekha's niece who interviewed
you came back feeling very
happy. With best wishes - my
namaskars to Mr Roerich

Yours sincerely
Nandita Krupalani
