Respected Sister,

Namastey! Received your letter in time, pleasantly. I have been thinking of you all since last month. I wish you best of lucks and a very happy lease of long life & many happy returns of the day. When there is sincerity, I know you will agree, one could never forget one who is true & sincere to one-self however distant one might be. I returned from outdoor agency only a couple of days back. I went to Delhi and Agra. I hope you are quite well & so is boss & every one there. I will be completin' this tour by the end of this month. The name of the agency, probably you remember, 'Lal Manjan' Regd. (tooth powder). Here it is very warm. All are quite alright at home. Please do give my regards to Boss & Professor Sahib.

Kindly inform me about my Lal Manjan. Did you use it yourself or not? When shall I be fortunate to see you again at Patna. Yours very obediently
Chandrasen Kumar
