My Dear Derika

Your luggage has reached here safely & we will have them put in our own store so please do not worry about them, those boxes will be looked after very well. Though we are looking forward to seeing you all but at the same time we are feeling very very sad that you are leaving this part of the world & the chance of seeing you all in future will be very little. His Highness has gone to D. Nagar for few days. I could never imagine

that this valley of ours which used
so quiet, peaceful & beautiful could
turn into the valley of horrors.

Muslims is the only excuse, they have
got much deeper plan, God alone knows
what will be the end. Do let us

know when you are coming & also please

let me know if there is any special
diet for Madam & Professor. Picking

up a house after so many years must
be a job, you all must be very busy.

Vicky has reached Lahore safely, I will
tell you all about her when we meet.

By the way don't forget to bring his
boots with you. I hope your father-

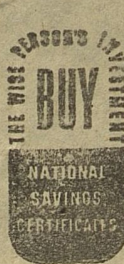

in-law is feeling better. My kindest
regards to you all yours
Sincerely
Sudam Gulmari
