My dear Mrs. Roerich,

It is long since I have received *no* news from you. I trust this will find you and Mr. Roerich in the best of your healths.

A friend of ours, a very good artist, wishes to see Mr. Roerich and show him some of his wonderful art work. We have seen some of his works and they are really extraordinary.

I learnt sometime back that you are in Bombay but as I am not certain whether you are still there I would like to know whether you & Mr. Roerich are still there and how long are you going to stay in Bombay so that if he wishes to go down to Bombay I may send him there.

With kindest regards to you and Mr. Roerich, I remain,

Very sincerely yours,

M. Khajulall
