

Dear Devika,

It was such a surprise to
 get your letter and the
 lovely prints. I shall be taking
 them with me when I fly to
 Europe next Tuesday. Nena will
 meet me in Geneva. We shall
 have a few days in Zermatt, then
 I shall have to go to our head
 office and on or about April 15 we
 hope to be on our way to Italy.

We shall be back here in August
 and hope to see you soon after
 our return.

Nena has been with the water
 in Lausanne for about 2 months
 and has been working and doing
 some lovely drawings.

To you and Setuśoo our best
 thanks and regards - R. V. Leyden
