TIRUVANNAMALAI,  
3rd Nov. S. I.

dearika dear.

Why no letter from you -  
Some months back I felt your  
Strong presence near me - I felt  
as if you were not well - somewhat  
of a depressed mood - Strong  
urge to write and enquire - I  
wrote a long letter to your Bihar  
address which you had given  
to me - I never heard a word from

you - Bhagwan's Self-Realization  
being out of print for 25 years  
I worked hard and brought it  
out - I dropped a P. Card to you  
and your reply to that came from  
that I came to know that you are  
still in Bangalore - so I write

again - How are you dear?  
How is your dear lady? How  
is your work getting on - do  
write + tell me - Why not run  
up to me - it is only 120 miles

by Car - I would suggest you  
to come here on the deep Sunday -  
22nd Nov. They light the mountain  
So come dear -

I hear from Heidi. She is so  
happy there - I am so glad.

I won't write more - as I am  
not sure whether you will get  
this letter or not -

My love to Mr R - +  
mother + much love for  
you dear self -

Your loving

Ma - Ferris.
