Dear Smt. Devika Rani,

I have been asked by Dr. Keskar to thank you warmly for your letter of the 29th October, 1964, addressed to him and to inform you that during his next visit to Bombay on the 13th and 14th instant he would consult some photographer as to whether suitable transparencies could be arranged in respect of the various paintings for the Album. He would write to you again in the matter after making necessary enquiries in that regard.

Yours sincerely,

(M.C. Minocha)
