

IDA VILLA
DARJEELING

31st March - 1953

My dear Devika,

How very nice it was
to see you the other day. I do hope
you will pay Darjeeling another visit
soon and stay a while. There is plenty
of room here and I would love to
have you both — please come.

Yours affly,
M. Onesco.

P.S. Don't forget your photo. (R)
