Kalimpong, 24th March, 1953.

Dear Mrs Roerich,

Thank you for your letter which I received yesterday.

I am so sorry you had so much trouble trying to telephone me, but the telephone is in the Homes Office which is closed all day on Sunday, so that explains why you did not get an answer.

We quite understand that you and your husband will not be able to come for lunch on Saturday, but we shall be glad to see you at the Flower Show in the afternoon, and we perhaps could all have tea together at the Club.

We shall be very glad to have you up to see us another time when you are both free.

With kindest regards,

Yours very sincerely,

Sabel S. Murr.

My dear Mrs Roerich,

What a kind thought it was on your part to send Maureen the little bag. She is absolutely delighted with it and carries it everywhere.

I hope you and your husband will be able to come and see us soon. Just telephone when you can come and we shall be delighted to have you and show you some of the homes.

With love and best wishes,

Yours very sincerely,

Fabel H. Luit.
