

25.12.47.

My dear Beirka.

I am sorry but I have literally
not had one moment with my

brother since yesterday. He
mentioned in passing that the 26th
or 27th evening would suit but
he did not specify a time & I
am told he is heavily booked
on both days. I have asked

his Secy. to try & get something
for you during the course of the
day — more I cannot do.

Many thanks for the beautiful
words. Sincerely
Nijāpa Lakshmi.
