

My dear Devika!

28/VII 1974. 1

I sent a letter for you to Rulu recently. And just now near me sit one my good friend. She write one serious scientific work about one philosopher Hindu. This is your former president (1962-1967). Sarrapally Radhacrishnan. In order to finish of his biography to her one must know all that know about him, and what is with him now. If -he is a live, then in which town he lives? But if that happen with him - What just, and how and when? = Write me please about all.

She is a very good and clever woman and can good speak in English, she is younger me. When you will come to us, I shall introduce you to her. Her name is Natasha. Please write me about his all that you can know.

This all was in the morning. But after the leaving my friend, I went to post where I received a letter from you from Bangalore. with very serious request.

How interesting — two requests at the same time had met.

Dear, dear my Derina.

Of course all that I can, I shall do, and while I send to you this two press cutting of former newspaper.

It was in 1960 year. When was the exhibition S.K. in our country. and one photo. just into exhibit~~ory~~ hall. ~~we~~ you are together with. our K. E. Voroshilov, E. A. Furcera and other.

I send to you both always only the very good healthy and happiness.

Kiss and embrace you both

Your friend. S. A. Paulsen.

Now I know that you are in Bangalore.
