Malad

I learnt from Shri Raghwan that you and Sahab are enjoying good health and was very glad to hear the news.

I am very sorry that I could not write you a letter for last one and a half month, due to sickness of my younger son for last two months. I am enjoying a very good health and my family also.

I meet Shri Raghwan after each two or three days. I am making inquiries about the Frame-maker. Carry my thanks to Sahab for sending "Bonus" and my Salam to Sahab and others.

Excusing me in the anticipation of the trouble,

Your's obediently
