My dear Mrs Roesich,

Please forgive me for this long silence. I would have written to you ages ago but I was not too well. I had to undergo an operation as I was having severe back aches for quite some time. I am alright now.

It was such a pleasure to hear from you. Thank you ever so much for the lovely gift you sent me. The handkerchief is really pretty. I very much appreciate your kind thought. It was such a pity we hardly met during your last visit to Belli. I do hope we shall be able to see more of you when you come here next. I always so much look forward to meeting you both.

I asked my husband about this National Board of Audio Visual Education. He said he was a member himself. He thinks you should certainly accept the proposal and become a member as you would really enjoy doing this work. Mr. Rabis is also a member of the board. Do look us up when you visit Belli next.

With our kindest regards to both of you,
Yours very sincerely
Sharda Rao.
