My dear Devika - We really should
synchronize our arrivals & departures
better - You say in your card you will
arrive in Bombay from Bangalore on the
25th. & we leave for Bangalore on the 25!
Jah has a meeting there on the 26th. From
there we go on to Travancore. We'll be
away about a week & do hope you will
still be here on our return. After that
we leave for Switzerland on Jan. 8th.
Will give you a ring as soon as we return. Love Truly
