

16-3-53.

My dearest Mrs. Reich.

I hope this  
will find <sup>you</sup> in best of health  
as it leaves me here the same.  
I am sending you here with  
a snap which my husband  
took on the day we came  
to visit on you. With my  
fondest love. From your  
ever friend.

Betty Train
