My Dear Anvty Devika,

Thank you very much for your letter of the 7th it is very good of you to take so much trouble on our behalf. I shall look forward to hearing from Mr Balu. I have also been looking for a job abroad but so far have not had alot of success. We will pray that 1979 is a good year!

I'm so glad Uncle Svetoslav is having so many honours showed up on him. We shall look forward to seeing you in Bangalore later this year.

With much love

Shalini
