

24.5.74.

Dear David,
I don't understand for
every doggerel
I send. I'm good
at all the cutting.
I've got a book
of old exhibitions
I've left labels
on books or copies
of mine and often
will like me something
of mine. This letter
is more
than ever. Please see
what you can do where
you are and write
me and let me know
good's blessing upon you
Yours sincerely
John

G34—AUSTRALIAN COUNTRYSIDE
Throughout Australian parks and gardens the changes of season is reflected in the trees: local evergreens and imported deciduous varieties provide a contrast in colour and a source of delight to the visitor
