band told me also of his appreciation of your things, it touched me the more so since children do rarely appreciate mountain scenery -

We are sending you our best wishes and thoughts - hope your sea voyage will be a happy one.

I shall appreciate your news -

POST CARD

Dear Mrs Whyatt,

Thank you so much for your kind letter. We were delighted to meet you, but regret that your stay at our place was of such a short duration. Besides there is little hope of your coming back to India soon. The letter from general was a success. My thanks -

Kalena Roerich
