

HIMALAYAN ROERICH SOCIETY

No. 17 "The Sacred Flame" by Nicholas Roerich.

It is to enjoy you and your friends' company as  
much as I would liked it. But since you do  
not leave India we may meet again.

We were delighted to hear <sup>the grand news</sup> about the Invasion  
this will bring closer the End of this horrible  
War -

With best regards and wishes

Yours very sincerely  
Helene Roerich
