Your Highness,

Many thanks for your letter and kind invitation. Let us hope that nothing will prevent us to spend this winter a couple of days with you and His Highness.

We were sorry to learn that you are already going to Jagindar Nagar for few months, it means we shall not have the pleasure to see you at Nagar before the fall. But Autumn is the best time for the mountains and we shall look forward to your coming and staying with us.

With kindest regards and best wishes to His Highness and Yourself

Yours very sincerely  
Delores Roerich
