

16-VIII-45.

Dear Mrs Lall,

Probably your husband is already with you enjoying the coolness of Mandali.

Please convey to him our heartiest greetings. We look forward to have you both and Tookie for a couple of days after the 22^d of July.

Because of Tookie I do not want to invite you before. We had a slight epidemic of throat inflammation and prof. Rasch, doct. Galovick and Ludmiller still have it. But I hope that in a week or ten days from today the danger of infection will be over, and we shall have the pleasure to have you with you -

Warmest greetings from
all of us

Affectionately
John & Mary
