Dear Mrs McCullagh,

Many many thanks for the beautiful roses.
They gave me a real pleasure.

Prof. de Roerich is already two weeks with
us and he sends you both his heartiest greet-
ings.

I hope that you have already rested after
the hectic time with your visitors and will be
able to visit us This Saturday, Nov. 9th, for
lunch. We shall be very glad to see you both.

If this day suits you, we shall send a horse
and the dandy to the bridge at 11 a.m.

With heartiest best wishes to you and Mrs
McCullagh,

Yours very sincerely,

Dear Mrs McCullagh,

Many thanks for you letter. We do not have the "Ghelder Rose", which you mention in our garden and I shall be glad if you could spare some cutting in July, when ready. If you have more space for the herbacious phlox I can easily send you some more for your garden, if you would like to have them.

With very best greetings to you and Mr. McCullagh,

Yours very sincerely,
