

Dear Mr. Sander,

This afternoon several
Povens entered my yard
from the Consulate over
the ~~stone~~ brick wall, and
began to cut grass.

For 18 years we are
good neighbours this
happened for the first
time.

Be so kind as to tell
them not to repeat
this again and generally
not to visit my kitchen garden.
Their legs are a ^{still} ~~bad~~ ^{bad} ~~one~~
one in my yard ~~will~~ ^{will} ~~one~~
will be given to anybody
you will send for them.
