

27-12-44.

My dear Mrs Hydari,

Thank you so much

for your kind letter from Kulu will be checked.

We enjoyed greatly your stay with us but regret it has been such a short one, besides my Bronchitis prevented me to see more of you.

I look forward to meet you again.

Maybe your family will also visit our Valley and then we shall have the great pleasure to have you all with us.

I hope your trip to Parvati Valley has been pleasant and interesting.

P. J. Paintings have been dispatched and we trust they will reach you in perfect condition

With best regards, and wishes
Yours very sincerely
Helena Revell
