

HAVELOCK VILLA

DARJEELING.

8. 8. 29

Dear Mrs. Kocrich.

I wonder if you remember me still? I have been thinking of you a great deal lately. I hope the place suits you & you are feeling much better.

I sent you two photos of myself & my boys. I hope you got them alright. I would be very pleased if you would give me a photo of the family. Has the Professor returned from America?

HAVELOCK WILLY  
DARJEELING

I suppose there is no chance of your  
coming to Darjeeling again.

Do write a line to me  
now & then. With the best of  
wishes for your health.

Yours. I. Sincerely  
Maya Bose
