My dear Madame Roerich

I have received your kind letter dated 23rd Nov. It was indeed a pleasure to read it after my return to Bombay from Ahmedabad today. Your book of "LETTERS" has also arrived and I shall make it a point to go through it carefully.

Our meeting in Kalimpong was a source of personal pleasure to all three of us and we shall treasure the memory of these meetings as something worth remembering.

With kindest regards from us three,

Yours *v.* Sincerely
Madhuri Desai

Excuse this type written letter. I am not too well. The film & photographs taken by Lina are beautiful.
