name when introducing
myself to you. I am anxious
to visit the Himalayas, as
you know, how they are to
us all a sort of "Mecca".
I have never been up North
& do not know the Country or
people or customs. My
husband whose leave is due
next year is not going home &
I have decided England is
not the place for a holiday
these days, so he says I can
take my holiday anywhere
I like - well I thought this

is the opportunity I have been waiting for & so I have been making various inquiries every where. As you know this year is the 75th Convention at Adyar & as it is rather an important one people are coming from all over the world & there is bound to be a party for the Himalayas - I could join them in travelling there, but I do not feel I want to be tied down to times & places. I want to be free & would like to go to Nepal & Sikkim. Nepal for preference - but failing that anywhere in the Himalayas - just to be in the land of our Beloved Masters - the Himalayan

Abodes of light. 4. I was so enthralled
reading this book written by your
husband. I wonder if the address
given me is enough & whether you
will ever get this letter. Please
write to me & give me any hints
or suggestions or introductions
which would be helpful. Could
I come to Kalimpong first &
meet you? Could you give me
the addresses of any hotels
or boarding houses there I could
stay at? My two interests in life
are animal welfare & mysticism.
I started the Nilgiri Lodge of the
T. S. here in Coonoor at my
own expense & am the Hon: Sec: we
have 14 members - among them
Madame Marcault - Perhaps you
know Professor Marcault - he was a
well known worker in the T. S. in Paris.
Please forgive my bothering you like

Dear Madame Rorich

I wrote to you some time ago, but as I have not had a reply, I think perhaps the letter must have gone astray as I had not your full address at the time. Since then it has been sent to me through Dr Cohen who was staying with H. H. The Rajah of Maudia. I wrote to ask you about coming up to the North. I wanted so much to see the Himalayas & all, that this implies to a Neoplatonist. However that is it

must be postponed to some
other future time as I am
sailing from Colombo by the
"Himalaya" on Jan 31st.

I want to contact some of
the Animal welfare places
in England as there is so
much that needs to be
urgently done in this country
in that way & perhaps a few
contacts may help. So I
thought I had better write &
tell you of my departure in
case you had heard.

Anything from Maandi about
my proposed visit to North
India. Some other time
may-be. I feel all my
time & efforts must be given
to our "little Brothers" now
& there seems no little
one can do.

I hope you will have a
happy Christmas & that
peace will come to this
world before very long.
